

\$2.9 MILLION GRANT FUNDS APPRENTICESHIP PROGRAM WNC and TMCC Join Forces to Prepare Skilled Workers for Tesla

The Northern Nevada College Apprenticeship Consortium was awarded \$2.9 million from the U.S. Department of Labor, American Apprenticeship Award program. The Consortium is a partnership between Truckee Meadows Community College, which will serve as the grant administrator, and Western Nevada College.

The award will develop the career skills of 400 Northern Nevadans for jobs at Tesla, Panasonic, and other manufacturing companies, over the next five years. The program is aimed at developing work skills and increasing workforce opportunities for members of underrepresented populations, lower-skilled or disadvantaged populations, and veterans.

RESIDENTIAL INSPECTOR TRAINING BEGINS OCTOBER 23

With an upswing projected in the real estate market, demand for qualified home inspectors is also expected to increase. WNC will offer an accelerated, 8-week series of classes to prepare students to take the Certified Inspector of Structures exam.
